Dear Brother Firefighters:

The Suffolk County Volunteer Firemen's Association is the host of the 138th Annual Convention of the Firemen's Association of the State of New York (FASNY) at the Hyatt Wind Watch Hotel in Hauppauge August 18-20, 2010. The Convention attracts members of the Volunteer Fire and EMS Service from all across New York State. This will only be the third time that this Convention has been held in Suffolk County in the last 50 years.

To help finance this undertaking, our Association will be publishing a Convention Journal. We will not be engaging an outside solicitor; our Convention Committee will conduct the solicitation for this publication. There will be no annoying phone calls and no high pressure collectors will plague you or your local business people. Instead we respectfully request that your organization, department, or company place an ad with us.

Please take a moment to look over the enclosed Journal application for you and anyone else in your organization or community who would like to place an ad in our Journal. Thank you for your assistance in the endeavor and as always thank you for your commitment and dedication to the Volunteer Fire and EMS Service in Suffolk County.

Firematically,

William M. Wieck
Journal Chairman
